Spring is in the Air

With spring quickly arriving, a few things to remember:

- All grass must be kept below a maximum height of eight inches in accordance with City of Waterloo ordinance 29-5-8 Weeds.
- Trim bushes around your utility meters so your meters can be read accurately.
- The City of Waterloo does not pickup tree limbs and branches. However, the City of Waterloo yard waste site is available to city residents.

New Banner Program

On April 8, the City of Waterloo launched a Banner Program. The purpose is to enhance and beautify the appearance of Market Street and promote Waterloo businesses, community service organizations, school recognized organizations, churches and independent contractors with a home office in Waterloo. Banners will be positioned from North Market and Route 3 to South Market and Hartman. The cost will be \$300 for a two-year period and will include the banner and bracket.

If you are interested in purchasing a banner, go to www.waterloo.il.us for more details. There are only 54 spots available, so act quickly.
