THIS SHEET FOR DEC. 20 ONLY

On December 20th only we will leave from 512 South Main at 4:00 p.m. and include Country Club Hills subdivision to the route.

They are located about 1 ½ miles from the stop sign at Waterloo Country Club on Country Club Road. We can only do the houses on the right side of Country Club Road (the houses on the left are called "???" Meadows" but they are too far apart and we don't have enough time to include them and finish our route by 9:00 p.m.).

When you turn right on the first street leading into Country Club Hills subdivision, we cannot go to the end of the street as it dead ends so we'll need to turn left on street just before dead end. From there I believe we can just go up and down each street.

When we get back to Waterloo Country Club turn right and travel to Route 3, then turn left on Greiner and continue route to Bradford Villas as stated on directions sheet.
