1. Petitions by Citizens on Non-Agenda Items – None
2. Hotel Motel Tax on Short Term Rentals – It was brought to the Council's attention that one of the owners of an AirBNB has been paying the Hotel Motel Tax and the rest of the Airbnbs in Waterloo are not paying. The committee decided to do some research on how many are in Waterloo, how many units each one can provide when rented and see what other local municipalities in our area are doing with AirBnb's. We will have another meeting soon to decide what to do with this issue.
3. Video Poker Gaming Licenses – The Mayor had been approached to see if the board had any interest in increasing the number of gaming permits for gaming parlors. The committee, after a brief discussion said that the City is not having any issues with the parlors currently and set a cap on them in the past. There was no desire to increase the number of permits at this time.
4. Comments – None
